PROFILE

With over 14 years of hands-on experience in transport and logistics, Hapson Marecha has built a solid career through progressive roles at Delta Corporation, Zimbabwe's leading beverage producer. Starting as a Workshop Mechanic and rising to National Freight and Logistics Manager, he has developed deep expertise in fleet maintenance, logistics coordination, and large-scale workshop operations. Hapson is a qualified Motor Vehicle Mechanic and holds a Master's degree in Supply Chain Management. His strengths lie in streamlining transport systems, improving fleet performance, and leading technical teams to deliver reliable, efficient and safe operations in a fast paced FMCG environment.
